Funeral Receptions

Thank you for considering the Mount Pleasant Hotel as your reception venue following a funeral, memorial or celebration of life service.

We aim to support you at this difficult time and our staff will sympathetically guide you through all the arrangements and ensure that your occasion is bespoke to your family and that every detail is taken care of.

We offer a choice of funeral receptions to cater for relatives and friends wishing to gather together following a burial or cremation.

To make the arrangements simpler, an inclusive rate is charged to cover both the room hire and your selected menu. If you would prefer you can select from our full selection with a room hire supplement.
We can cater for an intimate gathering of 10 people or much larger groups.

On the day, one of our Managers will greet you and your guests on arrival and our attentive staff will serve refreshments and stay on hand throughout the reception.

Family and friends are welcome to bring photographs and slide shows to share treasured memories.
