Yes, they must provide us with their public liability insurance certificate, and use all their own equipment.

**What happens if I need to move or cancel a date?**

All booked weddings are non-movable and non-cancellable. If the situation occurs you must telephone and confirm in writing to the General Manager.

**Civil Ceremonies seating?**

Traditionally the Bride's family & friends take the left hand side and the Grooms has the right.

**How do I work out how much my wedding will cost?**

There are two options available when planning your wedding with us, the first option is to design your own bespoke wedding day, by selecting each item individually from your arrival drinks to your evening buffet. All of these items are priced per head and can be worked out by multiplying by the number of guest you have attending. Items to consider when designing your own package include; arrival drinks, canapes, wines with your wedding breakfast, one starter choice, one main course choice, one dessert choice, tea & coffee, toast drinks and an evening buffet. There will also be additional charges for ceremony room hire if required and DJ. Depending on the size of your wedding and the date a room hire charge may be added.

The second option is one of our wedding packages with the flexibility to add extra guests as required. We are happy for you to upgrade the packages by adding supplements to enable you to get the right menu for your special day.
